Sub.: Clarification on increase in volume of security across exchanges sought by NSE
Ref. No.: NSE/CM/Surveillance/17092 dated June 12, 2026

Dear Sir,

This is with reference to your letter dated June 12, 2026 seeking clarification from the Roto Pumps Limited (Company), in relation to significant increase in the volume of security across exchanges in recent past.

In this regard, we would like to inform you that the Company is in compliance with Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Company has been promptly intimating / informing the Stock Exchanges on all event(s) and information(s), which may have a bearing on the operation/ performance of the Company which include all price sensitive information as and when required from time to time.

The Company has not withheld any information or events which, in our opinion, would have an impact on the volume of security / price of the shares of the Company, further there is no undisclosed / price sensitive information or any impending announcement / event(s) / corporate action(s) which needs to be informed to the Stock Exchange at this point of time. We understand the significant increase in the volume of security across exchanges in recent past is purely market driven and owing to the market conditions on which the Company neither has any control nor has any knowledge of reasons.

We hope this information satisfies your concerns.

Thanking You,

Yours Faithfully
